National Service Provider Global Solutions

Our service offerings include warehousing, drayage, truckload hauling, and customized value-added services in those areas.

With over one million square feet of storage space, we operate a domestic distribution facility in Monson, MA, and Port distribution facilities in Newport News, VA, Portsmouth, VA, the Port of Houston (Pasadena, TX), Port NY/NJ and Savannah, GA.

The Monson facility is a state-of-the-art multi commodity transload distribution center, located in the heart of the New England region and offering rail-to-rail, rail-to-truck and truck-to-truck product handling services.

In the Port of Virginia our partnership with the Virginia Port Authority and its operating company Virginia International Terminals, Inc., offers the port's customers the advantages of dedicated on and off-terminal distribution operations at Newport News and Portsmouth, VA. The Newport News facility handles both break bulk and containerized cargoes, while our Portsmouth location is a food grade facility handling a variety of products.

At our Port facilities in Port NY/NJ, Houston TX and Savannah GA, we offer long and short-haul trucking and drayage services as well as cross dock and container stuffing capability for a variety of commodities including lumber, beverages, pulp and paper, stone, specialty flooring and other products, especially those requiring heavy haul capabilities.

CrossGlobe Group operate trucks in the Mid Atlantic and Northeast regions of the United States, serving customers from Florida to Maine; Virginia to Ohio and all states in between. Our logistics division can handle truckload and LTL shipments nationwide with our extensive partner carrier group, which has been developed over the past twenty-five years.
