Portsmouth, VA

Global Solutions

At the Port of Virginia The CrossGlobe Group has partnered with the Virginia Port Authority (VPA) and Virginia International Terminals (VIT) to manage world-class distribution facilities in Newport News Marine Terminal and immediately outside Portsmouth Marine Terminal. We operate a dedicated warehouse facility utilizing company owned trucking, trailer and special intermodal chassis equipment designed to transport over-weight and heavy import and export containers, which cannot be carried by most transport carriers. This unique capability provides our import and export customers flexible transportation and payload options for their Make-Legal container movements.
