## Savannah, GA

### Delivering products safe and efficiently

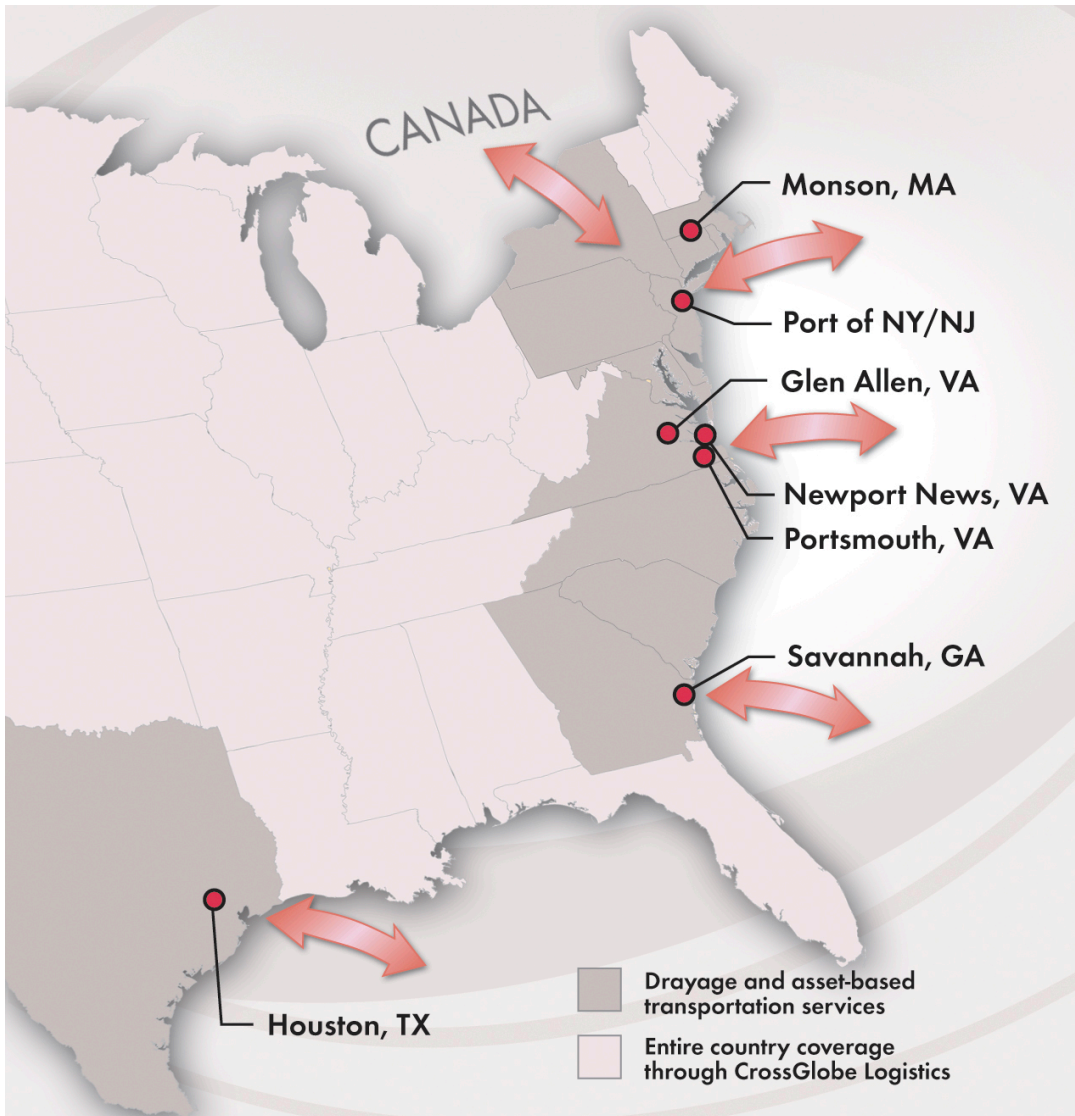

The CrossGlobe Group has a full service container drayage operation in and around the Port of Savannah, GA. Mirroring its highly successful container drayage operations in Newport News, VA, Houston, TX and in Port of NY/NJ, The CrossGlobe Group is serving the significant import and export trade which has brought the Port of Savannah its reputation as one of the fastest growing ports in North America. Our Savannah facility offers customers one stop shopping for ocean container drayage, full truckload, cross dock and order fulfillment.

#### Facts

- From rail yard to unloading dock and warehouse, we provide efficient and competitive Intermodal drayage
- We offer short haul, long haul and transloading services from the port to your warehouse facilities
- Our drivers are the most proficient in the industry with years of experience working at the port
- Our partner transload and consolidation facility is located near the port terminals, enabling rapid turn times and quality drayage

#### Port of Savannah quick facts!

- The Port of Savannah offers one of the largest selections of all-water China-U.S. services on the East Coast
- Provides access to more high-volume retail distribution centers than any other port in the U.S. Southeast
- Provides direct, convenient access to the largest U.S. consumer markets
- Savannah ranks among the top U.S. ports in terminal efficiency
- Trade between Savannah and China has grown 37% over the last five years.

- 7 Operating locations
- 5 Distribution facilities
- Over 1 Million square feet of storage space
- Domestic and Intermodal truck services
- Complete import and export services
