# Transportation and Logistics

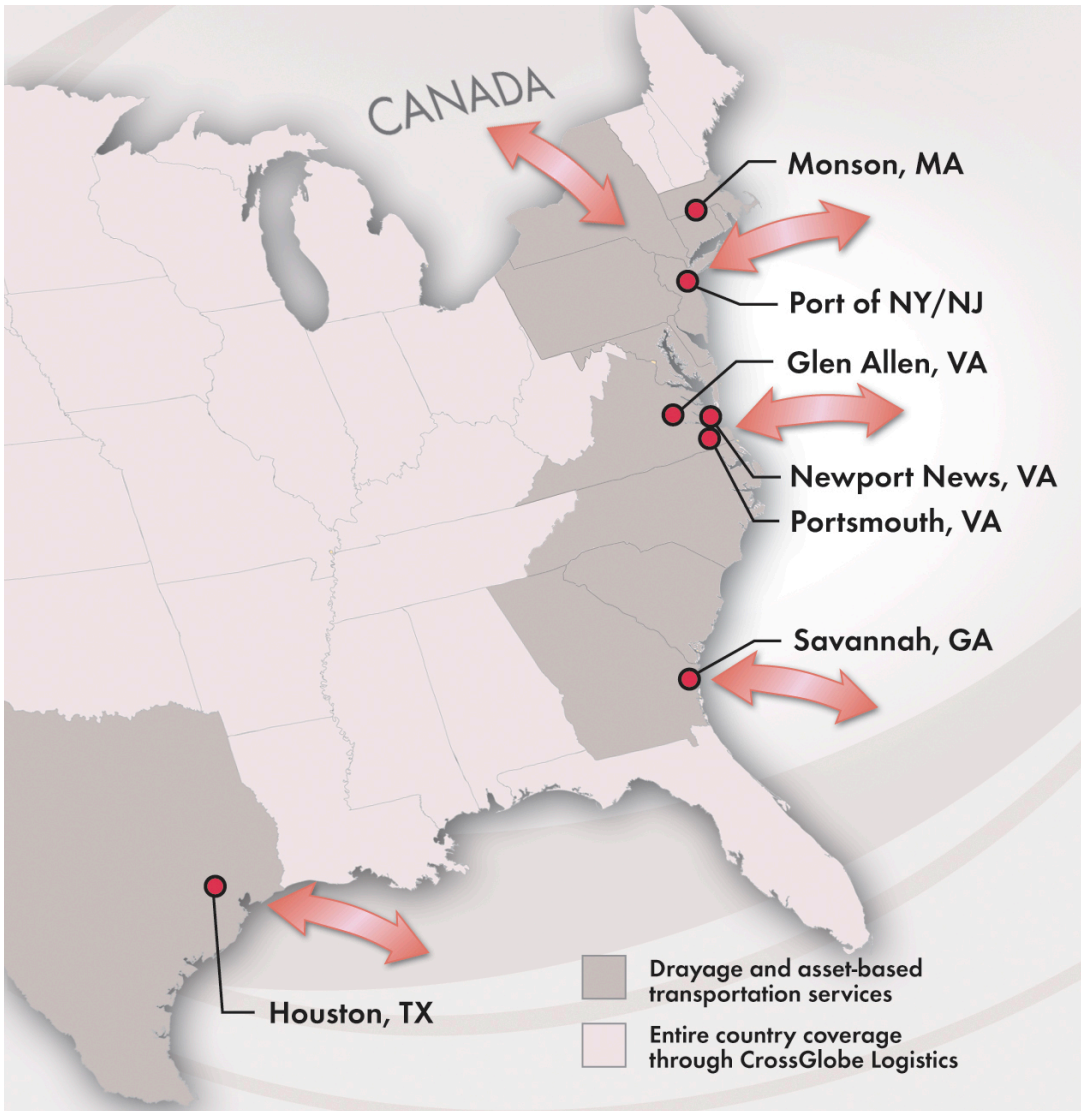

## Fast, efficient and trusted transportation services

As an asset based service provider, the CrossGlobe Group can offer an end-to-end transportation solution. We have both the expertise and the resources to move your product fast and efficiently. We operate satellite tracked equipment in the Mid-Atlantic and Northeast regions of the United States, serving customers from Florida to Maine; Virginia to Ohio and all states in between.

Through our partner carriers, our logistics division can handle truckloads, LTL, Intermodal and specialized services. With one single point of contact, the CrossGlobe Group can move any kind of freight anywhere in North America. Our customers across numerous industries have all benefited from our customized transportation solutions.

### The CrossGlobe Advantage

- Competitive pricing, quality service and unmatched customer service
- We apply our transportation expertise to your business
- Track and monitor all your shipments in transit through our customer website
- With our growing database of carrier providers, we have the flexibility to meet your toughest demands
- Flexible solutions, from a single load to your entire supply chain
- Our 2010 delivery performance was 99.5% on time
- Low driver turnover
- Satellite tracked equipment
